November Chief's Report

Here we are almost to the end of the year. October was a busy month from an administrative and community standpoint. Officers made an appearance at the Trunk or Treat at AJ's Dairy Bar. We also hosted a student from Cole Camp R-1 for a job shadow. The student was given a tour of the Police Department, explained the basic steps on how to become a police officer and shown some of what a day is like in the life of a police officer.

The animal shelter was at the forefront of a lot this month as well. We are currently at full capacity with two dogs, but are actively looking to find homes for these sweet animals.

I completed the CTO Equipment grant and submitted that to DPS. I am currently waiting to get the approval on that. I am still working on identifying a patrol vehicle for purchase. There were a couple of options that unfortunately fell through but I am still actively looking. I have identified some grants the city may qualify for. I will likely submit those action items next month once I am ready and fully prepared.

Respectfully submitted,

Chris Horn
Chief of Police
