New Business-Report from Steering on update of Comprehensive City plan. The committee met November 13, 2023. First meeting was introductions and stated purpose of the committee. Andy Struckhoff with PGAV was present at this meeting. Growing housing was a rather large topic of discussion and the need to grow this area but keeping our small-town feel. They talked about tourism and reasons as to why people come to Cole Camp. They will have to update the zoning process throughout this. There will be times the committee will need to get community input for data and answering questions from the community. They will be gathering data from community and will at some point have a public meeting to gather this additional information. Next meeting December 11, 2023 at 5:30 pm for the Steering Committee.

Leigh Ann Grunden makes the motion to adjourn meeting and Leigh Levi Fox seconded the motion.

Respectfully submitted by Kimberly Horstman, Secretary of Planning and Zoning.
