

City of Cole Camp

Request for Official Action

RES ☐ ORD ☐ #2026-21 Agenda Date: 10/15/2026

Department/Office: Police Department

Requestor Name: Chris Horn

Subject: Missouri Department of Homeland Security Counter-Terror Program Equipment Grant

Recommended Action: (Approve contract, approve expenditure, approve ordinance)

Approve grant application for the Missouri Department of Homeland Security Counter-Terror Program Equipment Grant

Summary:

The City is eligible for the Missouri Department of Homeland Security Counter-Terror Program Equipment Grant

Background:

This is non-competitive grant provided to departments who have members who have completed the Missouri Counter-Terror Officer Program Academy-Phase 1. The City of Cole Camp qualifies for funding through Chief Horn's completion of the program.

The funds from this program are planned to fund items such as Duty Cell Phones, Body Worn Camera equipment, Body Armor, and First Aid and trauma equipment.

Fiscal Impact

Cost of Requested Action:

\$ 0

Funding Source:

Department of Public Safety

Funds Available:

\$7500.00

Budget Amendment Requested:

Yes ☐ No ☐

Ongoing Annual Cost:

\$0

Revenue Impact:

\$7500.00 in grant funds that come with no matching requirement from the city.

FY2026 SHSP Counter Terror Officer Equipment Grant Notice of Funding Opportunity

RESOLUTION
OF THE BOARD OF ALDERMEN
COLE CAMP, MISSOURI

2026-21

A RESOLUTION AUTHORIZING COLE CAMP POLICE DEPARTMENT TO APPLY FOR THE FY 2026 STATE HOMELAND SECURITY PROGRAM (SHSP) COUNTER TERRORISM OFFICER (CTO) EQUIPMENT GRANT

WHEREAS, the Cole Camp Police Department of the City of Cole Camp finds it necessary and in the public interest to support the safety and security of the community; and

WHEREAS, the Missouri Department of Public Safety, Office of Homeland Security, has made available the FY 2026 State Homeland Security Program Counter Terrorism Officer Equipment Grant; and

WHEREAS, Cole Camp Police Department employs a member of the Missouri Office of Homeland Security Counter Terrorism Officer Program and seeks grant funding for eligible equipment, as permitted by the Notice of Funding Opportunity;

NOW, THEREFORE, BE IT RESOLVED BY THE COLE CAMP POLICE DEPARTMENT OF CITY OF COLE CAMP AS FOLLOWS:

1. **Authorization to apply.** Cole Camp Police Department is authorized to submit an application for the FY 2026 SHSP CTO Equipment Grant in an amount not to exceed **\$7,500**.
2. The Mayor of the City of Cole Camp is hereby authorized and empowered to execute said Grant Application on behalf of the City, and the City Clerk is authorized to attest to the same and affix the official seal of the City. **Grant administration.** Grant funds will be used only for equipment and other costs approved under the Notice of Funding Opportunity and award conditions. Cole Camp Police Department will comply with applicable grant requirements, including procurement, recordkeeping, reporting, and audit requirements.
3. **Local funds.** No local match is required or committed by this resolution
4. **Effective date.** This resolution shall be in full force and effect from and after the date of its passage by the Board of Aldermen and approval by the Mayor.

Adopted by the Board of Aldermen of Cole Camp, MO this _____ Day of _____, 2026

Attest: Dawn Paul, City Clerk

ON BEHALF OF THE CITY OF COLE CAMP,
MISSOURI
Nicole, Garrett, Mayor

Funding Opportunity Title

State Homeland Security Program – Counter Terrorism Officer (CTO) Equipment Grant

Introduction

The Missouri Department of Public Safety (DPS)/Office of Homeland Security (OHS) is pleased to announce the funding opportunity for the FY 2026 State Homeland Security Program (SHSP) Counter Terrorism Officer (CTO) Equipment Grant. This state administered, but federally funded program, is made available through the Grants Programs Directorate (GPD) within the Federal Emergency Management Agency (FEMA).

Program Description

SHSP is designed to enhance the capabilities of state, local, tribal, and territorial (SLTT) governments, to prevent, protect against, and respond to terrorist attacks. This program is a part of a comprehensive set of measures authorized by Congress and implemented by the Department of Homeland Security (DHS) to strengthen the nation's communities against potential terrorist threats.

SHSP aims to strengthen the nation's ability to prevent, prepare for, protect against, and respond to acts of terrorism and other threats.

The CTO Equipment Grant is available to any agency employing a member of the Missouri Office of Homeland Security Counter Terrorism Officer Program. The grant is for allowable equipment items up to a **maximum award amount of \$7,500.00**. In 2019 the Missouri Office of Homeland Security (OHS) began a process of analyzing gaps, in prevention, response, and mitigation of acts of terrorism, identified in the Threat and Hazard Identification and Risk Assessment (THIRA) across the 32 Core Capabilities. Through these assessments, OHS has identified a critical shortage in law enforcement officers trained to identify and plan for potential terrorist threats and vulnerabilities in our local communities. In order to expand law enforcement capabilities in the areas of homeland security and to combat the rising threats of

homegrown violent extremism and terrorist threats across the state of Missouri, the Counter Terrorism Officer (CTO) Program was designed.

CTO's are located within multiple jurisdictions in each region of Missouri. These specially trained officers are members of their local law enforcement agencies and provide a level of expertise to their agency and community with regards to terrorism prevention, response and mitigation. This grant program will provide increased capabilities across these mission areas.

Objective

By combining specially trained officers with the proper mission specific equipment, this project will allow officers participating in the CTO Program to dramatically increase their ability to delay, divert, intercept, halt, apprehend, or secure threats and/or hazards.

This project addresses the gaps identified in the THIRA/State Preparedness Report (SPR), specifically as it applies to outreach to the fusion centers, Joint Terrorism Task Force (JTTF), and for the assignment of personnel for follow up interdiction and disruption.

This project will enhance the Missouri Counter Terrorism Officer Program's effectiveness at the local level by giving agencies the opportunity to acquire equipment uniquely focused on their terrorism prevention mission and locality. Items purchased through this opportunity will support the law enforcement officers involved in the CTO Program. Officers who are specially trained to prevent, respond to, and mitigate acts of terror is a homeland security initiative.

Eligible Applicants

To be eligible for this grant opportunity the agency must have staff participating in the CTO Program. Eligible applicants are listed in Appendix A. **Only entities listed in Appendix A are eligible to apply.**

DPS GRANTS – STATE REQUIREMENTS

To be eligible for grant funding through the Missouri Department of Public Safety (DPS), agencies must be compliant with the requirements listed below (as applicable) at the time of application and if awarded funding, must maintain compliance throughout the grant period of performance.

LAW ENFORCEMENT REQUIREMENTS

These requirements below apply only to law enforcement agencies.

Each law enforcement agency shall certify compliance with these requirements below when applying for grants administered by the DPS.

Section 590.650 RSMo – Vehicle Stops Report

Pursuant to Section 590.650.3 RSMo, each law enforcement agency shall compile the data described in subsection 2 for the calendar year into a report to the attorney general and each law enforcement agency shall submit the report to the attorney general no later than March first of the following calendar year.

NOTE: Failure to submit the Vehicle Stops (Racial Profiling) Report will result in the automatic denial of the application.

Section 590.700 RSMo – Written Policy on Recording of Custodial Interrogations

Pursuant to Section 590.700.4 RSMo, each law enforcement agency shall adopt a written policy to record custodial interrogations of persons suspected of committing or attempting to commit felony crimes as outlined in subsection 2.

Section 43.544 RSMo – Written Policy on Forwarding Intoxication-Related Traffic Offenses

Pursuant to Section 43.544.1 RSMo, each law enforcement agency shall adopt a policy requiring arrest information for all intoxication-related traffic offenses be forwarded to the central repository as required by Section 43.503 RSMo.

Section 590.1265 RSMo – Police Use of Force Transparency Act of 2021

Pursuant to Section 590.1265 RSMo, each law enforcement agency shall report data submitted under subsection 3 of this section to the department of public safety.

For purposes of grant eligibility, law enforcement agencies will be considered non-compliant if they have not submitted Use of Force reports for three or more months in the previous 12 months.

NOTE: Show Me Crime Reporting provides a no cost option for agencies to comply with Section 590.1265 RSMo. Agencies not currently compliant with Section 590.1265 RSMo will not be eligible to apply until they have registered with Show Me Crime Reporting and have begun submitting Use of Force reports.

<https://showmecrime.mo.gov/CrimeReporting/ForcePage.html>

Section 43.505 RSMo – Uniform Crime Reporting (UCR)

Pursuant to Section RSMo 43.505.3, each law enforcement agency in the state shall: (1) Submit crime incident reports to the department of public safety on forms or in the format prescribed by the department; and (2) Submit any other crime incident information which may be required by the department of public safety.

Agencies not compliant at the time of application will be ineligible for funding unless the grant allows funds to be utilized to assist the agency to become compliant.

For purposes of grant eligibility, law enforcement agencies will be considered non-compliant if they have not submitted MIBRS reports for three or more months in the previous 12 months.

NOTE: Show Me Crime Reporting provides a no cost option for agencies to comply with Section 43.505 RSMo. Agencies not currently compliant with Section 43.505 RSMo will not be eligible to apply until they have registered with Show Me Crime Reporting and have begun submitting MIBRS reports.

<https://showmecrime.mo.gov/CrimeReporting/MIBRSRegistration.html>

Section 590.030 RSMo – Rap Back Program Participation

Pursuant to Section 590.030 RSMo, all law enforcement agencies shall enroll in the state and federal Rap Back programs on or before January 1, 2022 and continue to remain enrolled. The law enforcement agency shall take all necessary steps to maintain officer enrollment for all officers commissioned with that agency in the Rap Back programs. An officer shall submit to being fingerprinted at any law enforcement agency upon commissioning and for as long as the officer is commissioned with that agency.

Ineligible Applicants

Entities not included in Appendix A

Other Eligibility Criteria

National Incident Management System (NIMS) Implementation:

Prior to allocation of any federal preparedness awards, subrecipients must ensure and maintain adoption and implementation of NIMS, including implementation of important operational systems defined under NIMS, such as the Incident Command System (ICS). The list of objectives used for progress and achievement reporting is on FEMA's website at NIMS Implementation and Training.

Please see the Preparedness Grants Manual for more information on NIMS.

Emergency Management Assistance Compact (EMAC) Membership:

In support of the National Preparedness Goal (the Goal), SHSP subrecipients must participate in the EMAC. All assets supported in part or entirely with FY 2026 SHSP funding must be readily deployable and NIMS-typed when possible, to support emergency or disaster operations per existing EMAC agreements. In addition, funding may be used for the sustainment of core capabilities that, while they may not be physically deployable, support national response capabilities, such as Geographic/Geospatial Information Systems (GIS), interoperable communications systems, capabilities as defined under the Mitigation Mission Area of the Goal, and fusion centers.

Period of Performance: 24 months

Projected Period of Performance Start Date: September 1, 2026

Projected Period of Performance End Date: August 31, 2028

Application Maximum Award: \$7,500.00

Application and Submission Information

- 1. Applications will only be accepted through the Missouri Department of Public Safety (DPS) online WebGrants System.**

An Application Workshop with instructions on how to apply through the WebGrants System will be available on the DPS website, at the following link under Grant Applications and Forms, FY 2026 State Homeland Security Program (SHSP) CTO Equipment Grant:
<https://dps.mo.gov/dir/programs/ohs/grantstraining/>.

2. Key Dates and Times

a. Application Start Date: October 1, 2026

b. Application Submission Deadline: October 26, 2026, 5:00 pm CST

3. Agreeing to Terms and Conditions of the Award

By submitting an application, applicants agree to comply with the requirements of this NOFO and the terms and conditions of the award, should they receive an award.

As part of the FY 2026 SHSP CTO application, each eligible applicant must complete all application forms and provide all required documents:

1. Contact Information

2. DPS Grants State Requirements

3. Project Package

4. Interoperable Communications

5. Budget

6. Named Attachments

- a. Audit/Financial Statement (REQUIRED)**
- b. Quote or Cost Basis**
- c. Other Supporting Information (up to 5 attachments)**

Funding Restrictions and Allowable Costs

General Funding Requirements:

Costs charged to federal awards (including federal and non-federal cost share funds) must comply with applicable statutes, rules, and regulations, policies, this NOFO, and the terms and conditions of the federal award. This includes, among other requirements that costs must be incurred, and products and services must be delivered, within the budget period. 2 C.F.R. § 200.403(h).

Subrecipients may not use federal funds or any cost share funds for the following activities:

- Matching or cost sharing requirements for other federal grants and cooperative agreements (see 2 C.F.R. § 200.306).
- Lobbying or other prohibited activities under 18 U.S.C. § 1913 or 2 C.F.R. § 200.450.

- Prosecuting claims against the federal government or any other government entity (see [2 C.F.R. § 200.435](#)).

Prohibitions on Covered Equipment or Services:

FEMA provides additional resources regarding the prohibition on covered telecommunications equipment and services in its policy titled [FEMA Policy Prohibitions on Expending FEMA Award Funds for Covered Telecommunications Equipment or Services \(FEMA Policy #405-143-1\)](#). This policy outlines specific requirements related to the prohibition. Additionally, FEMA's [Contract Provisions Guide](#) offers sample language for the required contract provisions.

Subrecipients, their contractors or subcontractors must comply with the prohibitions set forth in Section 889 of the John S. McCain National Defense Authorization Act for Fiscal Year 2019, which restrict the purchase of covered telecommunications and surveillance equipment and services. See 2 C.F.R. §§ 200.216, 200.327, 200.471, and Appendix II to 2 C.F.R. Part 200 for more information.

Subrecipients, and their contractors or subcontractors must also comply with Section 1825 of the American Security Drone Act of 2023, enacted as part of the [National Defense Authorization Act for Fiscal Year 2024](#) (Pub. L. No. 118-31 §§ 1821-33, 41 U.S.C. 3901 note prec.). This provision mandates that, beginning December 22, 2025, no federal funds awarded through a contract, grant, or cooperative agreement, or otherwise made available may be used to procure a covered unmanned aircraft system (UAS) that is manufactured or assembled by a covered foreign entity. Significantly, no funds may be used in connection with the operation of such a drone or UAS. For more information, refer to [Public Law 118-31](#) and [OMB Memorandum M-26-02, Ensuring Government Use of Secure Unmanned Aircraft Systems and Supporting United States Producers](#).

Subrecipients must comply with all the requirements in [2 C.F.R. Part 200 \(Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards\)](#). Funding guidelines established within this section support the four of the five mission areas—Prevention, Protection, Mitigation, and Response—and associated core capabilities within the Goal. While Recovery is part of the Goal, it is not explicitly part of the SHSP. Allowable investments made in support of national priorities, as well as other capability-enhancing projects must have a nexus to terrorism preparedness and fall into the categories of planning, organization, exercises, training, or equipment, aligned to building capability, closing capability gaps, and/or sustaining capabilities as defined by CPG 201: THIRA/SPR Guide – 3rd Edition ([Comprehensive Preparedness Guide \(CPG\) 201, 3rd Edition](#)).

Allowable Costs:

This grant only allows projects for equipment/supplies that will support the Counter Terrorism Officer (CTO) and their mission. The allowable equipment categories for SHSP are listed on the [Authorized Equipment List \(AEL\)](#). Some equipment items require prior approval from FEMA/DPS/OHS before obligation or purchase of the items. Please reference the grant notes for each equipment item to ensure prior approval is not required or to ensure prior approval is obtained if necessary.

Allowable/Recommend Equipment:

- 03OE-02-TILA- Optics, Thermal Imaging and/or Light Amplification (no weapons mounted options) – Night Vision
- 03OE-02-BNOC- Binoculars/Scopes (no weapons mounted options) - Binoculars

- 06CC-01-CELL- Communications and Computing Device, Handheld – Handheld, ultraportable communications devices
- 03OE-03-KTFA- Kit, First Aid, Trauma Type – First Aid/Trauma Kits
- 01LE-02-ARMR – Body Armor
- Other personal protective equipment (see Authorized Equipment List)
- 04HW-01-INHW – Mobile Data Terminal (MDT)
- 03OE-07-SUAS- System, small unmanned aircraft (will require drone operator license) – Drones, Small Unmanned Aircraft
 - **Only drones manufactured in the United States are allowable**
 - List of United States manufactured drones that have been approved by the Department of Defense can be found here: Blue UAS Cleared List. *Note: The drones on this list are only those that have been approved by the Department of Defense. Those on this list are not the only United States manufactured drones that are allowable.
 - **All drones require a waiver from the DHS/FEMA before purchase.** *Note: Required information for the drone waiver is not required at the time of application submission but is required before the waiver request can be submitted to DHS/FEMA. At a minimum, the drone waiver will require the following information:
 - Detailed specifications for each piece of equipment/component of the drone to include the make, model, and operating weight
 - Justification for the agency's need of the drone
 - Justification how the drone fits into state and local operational planning
 - Justification to describe the need for the drone with the primary focus on homeland security and Chemical, Biological, Radiological, Nuclear, Explosive (CBRNE)-nexus
 - Description of how the drone will be operationally deployed
 - Justification how the drone will be used in non-emergency scenarios

Some allowable equipment items have specific requirements to be eligible for funding. Those with specific requirements are listed below. **Please note, the items listed below are not the only eligible equipment items.**

- Interoperability Equipment (Portables/Handhelds, Mobiles, Repeaters, Base Stations, etc.)

All interoperable communications equipment must meet the Missouri Department of Public Safety, Office of the Director, DPS Grants Radio Interoperability Guidelines. The Missouri Interoperability Center (MIC) will review all communications equipment applications to ensure they comply with the Radio Interoperability Guidelines. **Quotes that are compliant with the Radio Interoperability Guidelines MUST be submitted in the Named Attachments component of the application. Applications that do not meet these guidelines will not be eligible for funding.**

NOTE: Agencies seeking any type of radio or radio-related accessory are encouraged to contact the Missouri Interoperability Center by phone at (573) 522-1714 or by email at moswin.sysadmin@dps.mo.gov to ensure compliance with the Radio Interoperability Guidelines and the appropriate communication devices are purchased for the department's needs. The Missouri Interoperability Center staff can also provide helpful information

regarding the department's ability to access the MOSWIN and how to articulate such within the grant application.

- Mobile Data Terminals (MDTs) / Mobile Data Computers (MDCs) Requirements

Agencies seeking funding for mobile data terminals should research the type of computer being requested. The Missouri Department of Public Safety is aware that non-ruggedized laptops and tablets are typically not durable enough for road patrol purposes and therefore not the best use of funds.

- Body-Worn Cameras

Agencies seeking funding for Body-Worn Cameras (BWCs) must have policies and procedures in place related to equipment usage, data storage and access, privacy considerations, and training. Subrecipients of funding for Body-Worn Cameras must supply the Missouri Department of Public Safety with a copy of such policy(s) and procedure(s) at the time of claim submission.

- Body Armor

Funds may be used to purchase body armor at any threat level designation, make, or model from any distributor or manufacturer, as long as the body armor has been tested and found to comply with the latest applicable National Institute of Justice (NIJ) ballistic or stab standards, which can be found online at <https://www.nij.gov/topics/technology/body-armor/Pages/standards.aspx>.

Body armor or armor vests must also be "uniquely fitted vests" which means protective (ballistic or stab-resistant) armor vests that conform to the individual wearer to provide the best possible fit and coverage, through a combination of:

- 1) Correctly sized panels and carrier, determined through appropriate measurement a
- 2) Properly adjusted straps, harnesses, fasteners, flaps, or other adjustable features.

The requirement that body armor be "uniquely fitted" does not require body armor that is individually manufactured based on the measurements of an individual wearer.

In addition, body armor purchased must be made in the United States.

Agencies seeking funding for body armor are required to have a written "mandatory wear" policy in effect. There are no requirements regarding the nature of the policy other than it being a mandatory wear policy for all uniformed officers while on duty. Subrecipients of funding for body armor must supply the Missouri Department of Public Safety with a copy of such policy at the time of claim submission.

- License Plate Readers

Agencies purchasing license plate reader (LPR) equipment and technology with grant funds administered by the Missouri Department of Public Safety, must adhere to the following requirements:

- a) LPR vendors chosen by an agency must have an MOU on file with the MSHP Central Vendor File as developed and prescribed by the Missouri Department of Public Safety pursuant to 11 CSR 30-17.
- b) Prior to purchasing LPR services, the agency should verify the vendor's MOU status with the MSHP CJIS Division by emailing mshphelpdesk@mshp.dps.mo.gov.
- c) Share LPR data through the MoDEX process with statewide sharing platforms (i.e., MULES).
- d) Enable LPR data sharing with other Missouri Law Enforcement agencies and enforcement support entities within the selected vendor's software. Examples include, but are not limited to fusion centers, drug task forces, special investigations units, etc.
- e) Connect to the Missouri State Highway Patrol's Automated License Plate Reader (ALPR) File Transfer Protocol Access Program. This program provides the information necessary to provide a NCIC and/or MULES hit when used in conjunction with a License Plate Reader (LPR) device. An MOU must be on file with the Access Integrity Unit (AIU) for the vendor and the law enforcement agency and a registration process must be completed.
- f) Agency shall have a license plate reader policy and operation guideline prior to the implementation of LPRs. Reimbursements will not be made on the project until the policy has been provided to the Missouri Department of Public Safety.
- g) If the LPR will be installed on Missouri Department of Transportation right-of-way(s) agency must request installation through the Missouri Department of Public Safety. Once approved, agency must adhere to the Missouri Department of Transportation's guidelines regarding installation of LPR's on Missouri Department of Transportation right-of-way(s).

Unallowable Costs:

Per FEMA policy, the purchase of weapons and weapons accessories, including ammunition, is not allowed with SHSP funds. Grant funds may not be used for the purchase of the following equipment: firearms, ammunition, grenade launchers, bayonets, or weaponized aircraft, vessels, or vehicles of any kind with weapons installed.

Administrative and National Policy Requirements

Presidential Executive Orders:

Subrecipients must comply with the requirements of Presidential Executive Orders related to grants (also known as federal assistance and financial assistance), the full text of which are incorporated by reference.

Pursuant to the preliminary injunction order issued on November 21, 2025, in County of Santa Clara et al. v. Noem, et al., No. 25-cv-08330-WHO (N.D. Cal.), this requirement does not apply to subawards issued to any of the plaintiffs subject to the preliminary injunction order while the order remains in effect. If the preliminary injunction is extended to cover additional plaintiffs, this provision will also not apply to any subawards issued to those plaintiffs. If the preliminary injunction is stayed, vacated, or extinguished, this requirement will immediately become effective. Also, pursuant to the preliminary injunction order issued

on November 21, 2025, in *City of Chicago et al. v. Noem, et al.*, No. 25-CV-12765 (N.D. Ill.), this requirement does not apply to subawards issued to any of the plaintiffs subject to the preliminary injunction order while the order remains in effect. If the preliminary injunction is extended to cover additional plaintiffs, this provision will also not apply to any subawards issued to those plaintiffs. If the preliminary injunction is stayed, vacated, or extinguished, this requirement will immediately become effective.

In accordance with Executive Order 14305, Restoring American Airspace Sovereignty (June 6, 2025), and to the extent allowed by law, eligible state, local, tribal, and territorial grant subrecipients are permitted to purchase unmanned aircraft systems, otherwise known as drones, or equipment or services for the detection, tracking, or identification of drones and drone signals, consistent with the legal authorities of state, local, tribal, and territorial agencies. Subrecipients must comply with all applicable federal, state, and local laws and regulations, and adhere to any statutory requirements on the use of federal funds for such unmanned aircraft systems, equipment, or services.

Termination of a Federal Award:

1. The termination condition below applies to the grant award and the “Termination of a Federal Award” term and condition in the FY 2026 DHS Standard Terms and Conditions does not.
2. Termination of the federal award by FEMA

FEMA, in its sole discretion, may termination the federal award in whole or in part for one of the following reasons consistent with 2 C.F.R. § 200.340.

- a. If the recipient or subrecipient fails to comply with the terms and conditions of the federal award.
- b. With the consent of the recipient, in which case FEMA and the recipient must agree upon the termination conditions. These conditions include the effective date and, in the case of partial termination, the portion to be terminated.
- c. If the federal award no longer effectuates the program goals or agency priorities. Under this provision, FEMA may terminate the award for these purposes if any of the following reasons apply:
 - i. FEMA determines that a specific award objective is ineffective at achieving program goals as described in this NOFO;
 - ii. FEMA determines that an objective of the award as described in this NOFO will be ineffective at achieving program goals or agency priorities;
 - iii. FEMA determines that the design of the grant program is flawed relative to program goals or agency priorities;
 - iv. FEMA determines that the grant program is not aligned to either the DHS Strategic Plan, the FEMA Strategic Plan, or successor policies or documents;
 - v. FEMA changes or re-evaluates the goals or priorities of the grant program and determines that the award will be ineffective at achieving the updated program goals or agency priorities; or

- vi. For other reasons based on program goals or agency priorities described in the termination notice provided to the recipient pursuant to 2 C.F.R. § 200.341.
 - d. For convenience, including if the award no longer advances the national interest. Termination for convenience only applies to discretionary awards, as that term is defined at 2 C.F.R. § 200.1. The term “discretionary award” does not include grants where legislation establishes an entitlement to the funds on the part of the recipient, such as block grants or those awarded based on a statutory formula.
3. Termination of a Subaward by the Pass-Through Entity
- a. The pass-through entity may terminate a subaward in whole or in part for one of the following reasons identified in 2 C.F.R. § 200.340:
 - i. If the subrecipient fails to comply with the terms and conditions of the federal award.
 - ii. With the consent of the subrecipient, in which case the pass-through entity and the subrecipient must agree upon the termination conditions. These conditions include the effective date and, in the case of partial termination, the portion to be terminated.
 - b. If the pass-through entity’s award has been terminated the pass-through entity must terminate its subawards.

4. Termination by the Recipient or Subrecipient

The recipient or subrecipient may terminate the federal award in whole or in part as identified in 2 C.F.R. § 200.340 upon sending FEMA or pass-through entity a written notification of the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if FEMA or pass-through entity determines that the remaining portion of the federal award will not accomplish the purposes for which the federal award was made, FEMA or pass-through entity may terminate the federal award in its entirety.

5. Impacts of Termination

- a. When FEMA terminates the federal award in whole or in part before the end of the period of performance due to the recipient’s or subrecipient’s material failure to comply with the terms and conditions of the federal award, FEMA will report the termination in SAM.gov in the manner described at 2 C.F.R. § 200.340(c).
- b. When the federal award is terminated in part or its entirety, FEMA or pass-through entity and recipient or subrecipient remain responsible for compliance with the requirements in 2 C.F.R. §§ 200.344 and 200.345.

6. Notification Requirements

FEMA or the pass-through entity must provide written notice of the termination in a manner consistent with 2 C.F.R. § 200.341. The federal award will be terminated on the date of the notification unless stated otherwise in the notification.

7. Opportunities to Object and Appeals

Where applicable, when FEMA terminates the federal award, the written notification of termination will provide the opportunity and describe the process to object and provide information challenging the action, pursuant to 2 C.F.R. § 200.342.

8. Effects of Suspension and Termination

The allowability of costs to the recipient or subrecipient resulting from financial obligations incurred by the recipient or subrecipient during a suspension or after the termination of a federal award are subject to 2 C.F.R. § 200.343.

DHS Standard Terms and Conditions

A subrecipient under this funding opportunity must comply with the DHS Standard Terms and Conditions in effect as of the federal award, unless a term and condition specifically indicates otherwise. The DHS Standard Terms and Conditions are available online and can be found at [DHS Standard Terms and Conditions | Homeland Security](#). For continuation awards, the terms and conditions for the initial federal award will apply unless otherwise specified in the terms and conditions of the continuation award. The specific version of the DHS Standard Terms and Conditions applicable to the federal award will be in the federal award package.

A subrecipient under this funding opportunity must comply with the FY 2026 Department of Homeland Security Standard Terms and Conditions, with the following exceptions. The term titled "Communication and Cooperation with the Department of Homeland Security and Immigration Officials" and paragraph (2)(a)(ii) of the term titled "Federal Anti-Discrimination Laws Material to the Government's Payment Decisions Under the False Claims Act" do not apply to any federal award under this funding opportunity.

Pursuant to the preliminary injunction order issued on November 21, 2025, in *County of Santa Clara et al. v. Noem, et al.*, No. 25-cv-08330-WHO (N.D. Cal.), the following terms and conditions do not apply to subawards issued to any of the plaintiffs subject to the preliminary injunction order while the order remains in effect: (1) The DHS Standard Term and Condition titled "Federal Anti-Discrimination Laws Material to the Government's Payment Decisions Under the False Claims Act"; and (2) the DHS Standard Term and Condition titled "All Executive Orders Related to Grants". If the preliminary injunction is extended to cover additional plaintiffs, this provision will also not apply to any subawards issued to those plaintiffs. If the preliminary injunction is stayed, vacated, or extinguished, both terms will immediately become effective. As stated above, Paragraph (2)(a)(ii) of the DHS Standard Term and Condition titled "Federal Anti-Discrimination Laws Material to the Government's Payment Decisions Under the False Claims Act" will not apply even if the preliminary injunction is stayed, vacated, or extinguished.

Pursuant to the preliminary injunction order issued on November 21, 2025, in *City of Chicago et al. v. Noem, et al.*, No. 25-CV-12765 (N.D. Ill.), the following terms and conditions do not apply to subawards issued to any of the plaintiffs subject to the preliminary injunction order while the order remains in effect: (1) the DHS Standard Term and Condition titled "Federal Anti-Discrimination Laws Material to the Government's Payment Decisions Under the False Claims Act"; and (2) the DHS Standard Term and Condition titled "All Executive Orders Related to Grants". If the preliminary injunction is extended to cover additional plaintiffs, this provision will also not apply to any subawards issued to those plaintiffs. If the preliminary injunction is stayed, vacated, or extinguished, both terms will immediately become effective. As stated above, paragraph (2)(a)(ii) of the DHS Standard Term and Condition titled "Federal

Anti-Discrimination Laws Material to the Government's Payment Decisions Under the False Claims Act" will not apply even if the preliminary injunction is stayed, vacated, or extinguished.

Pursuant to the preliminary injunction order issued on October 31, 2025, in *City of Seattle v. Trump, et al.*, No. 2:25-cv-01435-BJR (W.D. Wa.), the following terms and conditions do not apply to subawards issued to any of the plaintiffs subject to the preliminary injunction order while the order remains in effect: the DHS Standard Term and Condition titled "Federal Anti-Discrimination Laws Material to the Government's Payment Decisions Under the False Claims Act". If the preliminary injunction is extended to cover additional plaintiffs, this provision will also not apply to any subawards issued to those plaintiffs. If the preliminary injunction is stayed, vacated, or extinguished, the term will immediately become effective. As stated above, paragraph (2)(a)(ii) the DHS Standard Term and Condition titled "Federal Anti-Discrimination Laws Material to the Government's Payment Decisions Under the False Claims Act" will not apply even if the preliminary injunction is stayed, vacated, or extinguished.

Monitoring and Oversight

Per 2 C.F.R. § 200.337, DHS and its authorized representatives have the right of access to any records of the subrecipient pertinent to a federal award to perform audits, site visits, and any other official use. The right also includes timely and reasonable access to the subrecipient's personnel for the purpose of interview and discussion related to such documents or the federal award in general.

Pursuant to this right and per 2 C.F.R. § 200.329, DHS may conduct desk reviews and make site visits to review and evaluate project accomplishments and management control systems as well as provide any required technical assistance. Subrecipients must respond in a timely and accurate manner to DHS requests for information relating to a federal award.

Environmental Planning and Historic Preservation (EHP) Compliance

FEMA is required to consider effects of its actions on the environment and historic properties to ensure that activities, grants, and programs funded by FEMA comply with federal Environmental Planning and Historic Preservation (EHP) laws, Executive Orders (EO), regulations, and policies.

Subrecipients proposing projects with the potential to impact the environment or cultural resources, such as the modification or renovation of existing buildings, structures, and facilities, either new construction or replacement of buildings, structures, and facilities, must participate in the FEMA EHP review process. This includes conducting early engagement to help identify EHP resources, such as threatened or endangered species, and historic properties; submitting a detailed project description with supporting documentation to determine whether the proposed project has the potential to impact EHP resources; and identifying mitigation measures, alternative courses of action, or both that may lessen impacts to those resources.

FEMA is sometimes required to consult with other regulatory agencies and the public to complete the review process. Federal law requires EHP review to be completed before federal funds are released to carry out proposed projects. FEMA may not be able to fund projects that are not in compliance with applicable EHP laws, Executive Orders, regulations, and policies. FEMA may recommend mitigation measures, alternative courses of action, or both to lessen impacts to EHP resources and bring the project into EHP compliance. If a proposed project has been evaluated by another federal agency, FEMA may be able to streamline portions of the EHP review by adopting or supplementing previous analyses performed under the National Environmental Policy Act. If a proposed project has previously been reviewed by another federal agency, please provide those documents for FEMA's consideration.

EHP guidance is found at [Environmental Planning and Historic Preservation](#). The site contains links to documents identifying agency EHP responsibilities and program requirements, such as implementation of the National Environmental Policy Act and other EHP laws, regulations, and Executive Orders. DHS and FEMA EHP policy is also found in the [EHP Directive and Instruction](#).

All FEMA actions, including grants, must comply with National Flood Insurance Program (NFIP) criteria or any more restrictive federal, state, or local floodplain management standards or building code (44 C.F.R. § 9.11(d)(6)). For actions located within or that may affect a floodplain or wetland, the following alternatives must be considered: a) no action; b) alternative locations; and c) alternative actions.

The EHP screening form is available at [Environmental & Historic Preservation Grant Preparation Resources](#).

Buy America Preference Requirements for Infrastructure

None of the funds provided under this program may be used for a project for infrastructure unless the iron and steel, manufactured products, and construction materials used in that infrastructure are produced in the United States.

Subrecipients provided funds under this program for an infrastructure project must comply with FEMA's implementation requirements of the Build America, Buy America Act, as detailed in [FEMA's Buy America Preference Policy](#). See also 2 C.F.R. Part 184, Buy America Preferences for Infrastructure Projects, and Office of Management and Budget (OMB), Memorandum M-24-02, [Implementation Guidance on Application of Buy America Preference in Federal Financial Assistance Programs for Infrastructure](#).

The Buy America preference only applies to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does a Buy America preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within the finished infrastructure project but are not an integral part of the structure or permanently affixed to the infrastructure project.

For more information about FEMA's implementation of the Buy America Preference, please visit FEMA's Buy America Preference webpage at [Programs and Definitions: Build America, Buy America Act | FEMA.gov](#).

a. Waivers

When necessary, subrecipients may apply for, and FEMA may grant, a waiver from these requirements.

A waiver of the domestic content procurement preference may be granted by the agency awarding official if FEMA determines that:

- Applying the domestic content procurement preference would be inconsistent with the public interest
- The types of iron, steel, manufactured products, or construction materials are not produced in the United States in sufficient and reasonably available quantities or of a satisfactory quality

- The inclusion of iron, steel, manufactured products, or construction materials produced in the United States will increase the cost of the overall project by more than 25%

The process for requesting a waiver from the Buy America preference requirements can be found on FEMA's website at: "Buy America" Preference in FEMA Financial Assistance Programs for Infrastructure.
